State and Local Officials Webinar

Gun Violence, Public Health, and the Safer Communities Act

Dear Council Member Council Seat #2 Evans:

On behalf of the Council on Foreign Relations (CFR), I write to follow up on my invitation to join the CFR State and Local Officials Webinar, *Gun Violence, Public Health, and the Safer Communities Act* on Tuesday, August 9, from 2:00 p.m. to 3:00 p.m. (EDT).

Vin Gupta, affiliate assistant professor of health metrics sciences at the University of Washington, and Jonas Oransky, legal director at Everytown for Gun Safety, will discuss gun-related deaths as a public health problem, approaches to preventing firearm-related deaths in the United States and abroad, and the recently passed bipartisan Safer Communities Act and specific provisions concerning states and localities. A question-and-answer session will follow their remarks. Please note that the webinar will be on the record.

As background, you may wish to review Dr. Gupta's article on [ThinkGlobalHealth.org](https://www.thinkglobalhealth.org), *The Global Experience of Gun Control* and Everytown for Gun Safety's factsheet, *After a Landmark Federal Law, What's Next for Gun Safety in the States*.

To respond, click the *Register or Decline* button. We will send you the meeting access instructions prior to the event. This invitation is transferable, but limited to state and local officials and their staffs.
